MEMORANDUM FOR: Director of Training

SUBJECT : Feedback from External Training

Rod:

25X1A

1. I noted in your weekly report last Friday that we have two Fellows in Congressional Operations- [REDACTED] with Senator Metcalf, and [REDACTED] with Senator Eagleton. As you are aware, we are most sensitive to the possibility of any criticism which would suggest that our Congressional Fellows are "reporting" back to the Agency. We realize that it is appropriate for the Fellows to give some indication that they are alive and well, but we want to make sure that we do not levy upon the Fellows the requirement to "report back." I would be interested specifically in what instructions or requirements are given to the Fellows regarding keeping in touch.

2. I would also desire that if not already done, specific instructions be given to the Fellows that they are not repeat not to report to the Agency on their activities.

3. I realize you have probably been over this point many times with your people, but I could not help but react to the weekly report.

I think Mr. McMahon may have misinterpreted our WAR, dtd. 23 Jan., Item E, Para. 2, regarding "reporting" by our 2 Congressional Fellows. I do ask that they let me know who they are assigned to on the Hill. I do ask them to call me for travel orders and funds when they take trips with their Congressmen.

As you will note in Kay's accounting for her trip to NYC last week, she was merely sending me her cancelled airline ticket and accounting for her expenditures but with no intent on her part, I'm sure, toward a "report back" to me attitude.

Before the meeting with these people - pls. have prepared written guidelines - Along with the memo to Don.

See my annotation of the present guidelines. We are going to have a meeting with two people - I would like to bring to J. McMahon for his guidance to people.
